

Fall Undergrad Helpers Needed!

Join the Kim Ecology Lab in Entomology!

KANSAS STATE
UNIVERSITY

Department of Entomology

Interested in how insects cope in changing environments?

Learn to survey and identify insects, maintain plants in greenhouses, analyze data, and more!

We are accepting applications for undergrad researchers (\$12/hr. for 8-10 hours per week during school year).

Email Dr. Tania Kim (tkim@ksu.edu) with inquiries & application. Visit kimecolab.com for more information!
